

Help to Heal!

Are you passionate about wildlife? Would do all you can to help them receive life-saving treatment?

At Folly Wildlife Rescue we are dedicated and passionate about our wildlife, and every year we treat literally thousands of sick and injured animals.

For example, hedgehogs entangled in fencing, garden birds that have had a brush with a cat, badgers caught in snares or hit by cars, deer fawns attacked by dogs and many many more. Any animal that comes in to us is guaranteed to receive first class veterinary care including X-rays, immediate pain relief, antibiotics to fight infection, treatment for parasites (eg. lungworm that infect baby hedgehogs) and the dressing and suturing of any wounds. This is all part of the completely free service we offer to the wildlife of East Sussex, West Kent and beyond.

Medicines and sundries are extremely expensive and we need help

FOR EXAMPLE

£21.31 will treat up to **20** hedgehogs with antibiotics

£11.27 will treat up to **30** small birds with antibiotics

£44.55 will provide pain relief for up to **50** hedgehogs

£33.49 will treat up to **30** hedgehogs for life-threatening parasites

£22 will provide bandages for **10** hedgehogs

£35.09 will enable us to suture the wounds of up to **12** badgers or deer.

**YOUR
CONTRIBUTIONS
WILL LITERALLY
BE SAVING
LIVES**

These are all significant ways for you to help us, help them. As well as doing your own good deed, a Help to Heal sponsorship makes a special Christmas or birthday gift for a friend or loved one.

You or your nominated person will receive a 'I Helped to Heal' colour certificate with details of just how your gift will be making a difference.

Please complete the form overleaf - your help is a truly remarkable way of giving something back to the wild - thank you!

Help to Heal is a positive and supportive way to give practical help to wildlife in need and it's so easy to set up.

You don't need to order or take delivery of anything as that side of things is taken care of by the Veterinary Team here at the Broadwater Forest Wildlife Hospital. Because we order direct from our suppliers there's no handling charge or postage either – so absolutely 100% of your gift goes directly towards helping the animals that need it.
